DETAILED ACTION

Allowable Subject Matter

1. Claims 5 and 6 are allowed.
2. The following is an examiner's statement of reasons for allowance: The closest prior art teaches the printed circuit board as claimed but does not teach the combination of this circuit board and a lead component wherein the leads which are extended through the component are soldered (or otherwise secured) at the bottom surface of the substrate, particularly having spacers of a sufficient thickness to allow gas to escape and provide space for flow of cooling air between the parts during the soldering process. See Seyama (USPN 4912603).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
